Tarnished is a fantasy action RPG developed by crescent moon and is produced by collaboration between crescent moon and GungHo Online, a

division of GungHo Online Entertainment Inc. Tarnished is a simple RPG where the action is focused. The story unfolds with the events that occur after the link is destroyed, so the Tarnished world is in its initial stage. A wide world and a huge dungeon are connected. With your strength as a Tarnished, you can go anywhere. The world is vast, so your options for growth in the game are broad.

Elden Ring For Windows

- (Rating: 5/5) "I'm starting to think that the devs went out of their way to make things very challenging for the players, and that they did a great job of it. I could keep going for a lot longer if I could," - NGCgamer - (Rating: 4/5) "If you like old school RPGs and are looking for a game to really get into, this is the game to play." - Hausers - (Rating: 4/5) "For the type of game that has you destroying walls and smashing rotten brick, it's definitely a lot more satisfying." - VoidStar - (Rating: 4/5) "Each of these levels are long and full of the most memorable experiences in an RPG." - Nerdytalk —————

INTRODUCTION TO THE ELDEN RING
CAST OF CHARACTERS. The only thing
the characters in the world has in
common is that they are all wizards.
Even so, they each have their own
story that they are hoping to tell.
Mage Otto - A former Elk that was

trained under the King's standard-bearer, he joined the Order to secure a future for the people of the Elk Kingdom. Nana - A young girl who lives in the village of Anicia. As a member of the Elk Knights, she believes in their ideals and fights.

Tuboka - A goofy boy with an optimistic perspective on life, he is a member of the Black Wolf Knights.

Zeria - A sarcastic man that was born with a body of steel. He serves as a soldier in the Elk Kingdom. Maid

Margareta - An old woman who knows many tales from the history of the Nobility. She is a traveling companion

to Otto. Volstag - A young and vivacious girl who was once a general in the Nobility. Though she is in the

middle of a civil war, she is also a famous fantasy author. THIS. HAT. IS.

BULLSHIT. & This is a lame ass excuse for an RPG. If they had stopped at making an RPG and just called

The Tale of a Heros 2 ■ Dual system:

Vast World and Asynchronous Play

One day, while wandering through the

Lands Between, a child of the

Gwyllion race is found alone, injured,

and covered in blood. An elf maid

named Lulua, a human townspeople,

and a knight named Ferdinand—who

are all searching for the

child—encounter the other child.

Meanwhile, an evil mastermind has

appeared in the Lands Between, and

with the emergence of the child, the

life of the Elden Ring, a holy order

dedicated to guard the earth from the

Faceless One, has come to a head.

Your mission is to travel to the Lands

Between, to the battlefield of the four

gods known as the Divine Assembly,

and to the four corners of the world,

and confront the evil mastermind and

his evil heart master. Vast World ■ An

Epic World The world of the Tale of a

Heros 2 is a huge world with many

places that you can freely explore. The three major areas are the Lands Between, the Sacred Forest, and the Sacred Realm. The Lands Between An epic world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected, traversable from the southeast to the northwest.
