An easy, simple-to-use data recovery software that enables you to rescue data that is lost or damaged due to system malfunction, virus attack, hardware failure, or accidental format.pragma solidity 0.5.0; contract TestSafeFunction{ function safe(){ uint output; //you can access to this variable using \_safe\_0\_0\_1 //in safe.sol output = \_safe\_0\_0\_1; //or you can get this variable like this: //solidity 0.5.0 or newer uint safe\_out = safe.getSafe(0, 0, 1); } function unsafe(){ uint output; //you can access to this variable using \_safe\_0\_0\_1 //in safe.sol output = \_safe\_0\_0\_1; //or you can get this variable like this: //solidity 0.5.0 or newer uint unsafe\_out = safe.getUnsafe(0, 0, 1); } } The whole 'Mann' debate is a day late & a dollar short. I can't even begin to wrap my mind around the shock people have about the person who spearheaded the 'Mann-gate' debate. It's easy to blame a famous person or a popular figurehead; however, this doesn't do justice to those who may have had a hand in a well financed strategy. There are plenty of short-sighted media people who thought they could run an uncontested campaign and blame others for the fact that most
