Players must balance running around and trying to pick up weapons/upgrades while avoiding the dangers of the jungle. The environment will change through out the duration of the quest, forcing players to think quickly and be prepared for anything that may come their way. Speaker : Oska Jungle Adventure Map time : 2 hours Here's a creative challenge map by Oska, featuring the Power Rangers Jungle Adventure pack! Oska has spent over 20 hours on the map, try to do the same and see how it goes! Oska's map is inspired by Topor's map from Red Ranger Pack. A new fair bit of refinement has been added to this map, and it's very much recommended to play on the Vita version of the pack (no cross-platform support yet though). Here are the notes for gamepad users: - Map is just the shell. To make it playable and enjoyable on gamepads, Oska provides separate tutorial and practice maps, accessible from the main map. For further technical details on how to port to gamepads, please check out the instructions below. - All references to commands and other information is in English, but some UI elements are in Japanese, and some others in Chinese. - c9d1549cdd
