It is the story of five evil witches, whose aim is to prevent the humans from destroying the earth. They plan to take the soul of the dead girl, Sarah. The witches slowly get a hold of Sarah's soul. Soon they want to take over the entire world. To destroy the witches, Sarah needs to get the seven Spell of the Fallen Star spell book, which is missing. To find out how she can find this book, she has to go to the old Bar-B-Que Inn. There she will meet one of the five witches, who will reveal the secret of the spell book. The game will be suitable for the whole family, because the graphics and the dialogue are always colorful and funny. The menu has been designed a little easier. The maps that have been hidden are much more fun to find than the maps from other games. On its first part, Hocus Pocus game offers interesting adventures, on the way you can pick up a few new skills and collect different items, but it's best to explore the whole world to gather all the trophies. You can change your game mode in Hocus Pocus game. In the original game mode, you play a different character than in the hidden mode. For instance, in the hidden mode, you play as the mouse, while you are in the original mode you are the green hat. The challenging and rewarding game play of the original Hocus Pocus game is replaced by a more traditional puzzle game system. The intuitive game play 6d1f23a050
